Re: **TA2018001 – Off-Site Advertising Signs (Billboards) Memo**

At the July 25, 2019 Planning and Zoning Commission an **indefinite continuance** of TA2018001 was granted by the Commission by a vote of 6-0. This will allow the applicant additional time to address stakeholder concerns and to develop a robust public input process for conversion to digital.

Once the text amendment moves forward notification of meeting dates will be sent out in accordance with Maricopa County's Enhanced Regulatory Outreach Program (EROP) policy and procedures for notifications.

Meeting minutes from the 5-30-19 ZIPPOR and 7-25-19 Planning and Zoning Commission will be added to the EROP website once they are available.
